The Easy Custom Photo Puzzle Maker

Eat your veggies. Put on a hat, you'll catch cold. Don't cross your eyes, they'll get stuck that way. Remember, Mother's Day is May 11.

Teacher of good habits (that we said were "stupid"). Preparer of nutritious meals (that we refused to eat). Taxi driver (8AM soccer practice, 4PM drum lessons, "Oh, Mom, my friend needs a ride home"). Fashion consultant ("Does this tie go with this shirt?" "Do you like this dress or this one?"). Fashion idiot ("No one cares if my shirt is wrinkled, you don't need to iron it." "But, Mom, EVERYONE wears their skirt this short!"). Doctor/nurse. Veterinarian. Mental health counselor. Career counselor. Math expert. Science expert. English expert. Craft expert. Stain removal expert. Chief cheerleader. Knows everything. Knows "nothing." Knows where to find stuff that no one else can find. Knows to make our favorite dinner when we feel bad. Knows (almost) every embarrassing story about us. Knows how to make us feel special when no one else can.

Who else would put your artwork on the fridge? Just Mom, that's who.

What didn't Mom do for us when we were growing up? Maybe we didn't appreciate it then, but at some point in life we all do the forehead slap and go "I get it now!"

Tell Mom thanks this Mother's Day with a very special, one-of-a-kind gift: a personal puzzle. There's nothing Mom loves more than her family. When you create a [My Personal Puzzle](#) from one of your favorite family photographs, you're sure to bring a smile to Mom's face, and perhaps even a tear to her eye.

Our puzzles are crafted of heavy-duty stock with a beautiful finish that will last a lifetime. The box lid is custom made with a reproduction of your photo. They come in a variety of sizes, from 16-pieces (perfect for grandma or great-grandma who may have fine motor skill issues) all the way to 1500 pieces for the true jigsaw puzzle lover. Or why not go for the heart-shaped puzzle? After all, she gave you her heart - why not give her one in return?

So, go eat your vegetables, sit up straight, and order a [My Personal Puzzle](#) for your mom, mother-in-law, grandma, daughter or any mom who made a difference in your life.
