

# GIVE YOUR CAREER A LIFT

## EXPLORERS WANTED

Are you ready for an adventure? LIFT Academy, owned and operated by Republic Airways, is a proven flight program that allows students to attain their aviation career goals. We offer affordable, accelerated flight training for future pilots and aviation maintenance technicians (AMTs) in state-of-the-art facilities.

Along with experienced and dedicated instructors, LIFT offers:

A direct pathway to becoming a pilot for Republic

The most technologically advanced aircraft in flight training

Career opportunities in less than two years

We're looking for explorers from all walks of life — high school and college grads, former military, career changers and anyone who wants to take their career to new heights. If you have the skill and the will, we can't wait to meet you!

**LIFT ACADEMY**  
LEADERSHIP IN FLIGHT TRAINING

**WHY WAIT?** Apply at [flywithlift.com](http://flywithlift.com) and start your adventure!
